

When are peer notes NOT indicated as necessary, even for students approved for notetaking services?

If you are requesting notetakers in...

Non-Lecture Course like Labs, Recitations

These courses are experiential and do not require notes in the same way as lectures.

Online Courses

These courses have posted recorded lectures for reference for your notetaking at your own pace and the opportunity to revisit for review.

Classes with Posted Lecture Slides

Posted Slides + Recording the Class Audio =
Access to the course content; which is what notetaking accommodations are design for.

The Goldman Center acknowledges exceptions to these categories on a case-by-case basis. Contact us for further questions.
